If principal forgiveness is equal to or greater than \$600.00 as a result of this settlement, CitiMortgage, Inc. is required to report the amount of the debt forgiven to the Internal Revenue Service on a 1099C form, a copy of which will be mailed to you.

After the short sale is complete, we will follow standard industry practice and report to the major credit reporting agencies that the loan was paid off for less than the amount owed, which could negatively impact your credit score and, therefore, your ability to obtain credit on the most favorable terms. We have no control over, or responsibility for the impact of this report, on your credit score.
